

CAREGIVERS SUPPORT GROUP

Join us for an informational and rewarding support group for those raising children, grandchildren, kinship, and non-biological children!

Those who provide care for the children of families in need require support themselves for their ever-changing circumstances. This complimentary group will touch on the constant change of emotions, feelings, and boundaries. In each session, you will learn valuable information that will help you in the role of primary caregiver.

SAT, OCT 29-DEC 3 • 9:00-10:15AM
